Message from the Principal

Dear Parents and Community Members,

As we are drawing close to the end of term, I would once again like to say how grateful I am to be the leader of such a thriving and successful small school. I often find myself thinking of how lucky the students are at this school. They have very caring staff and parents who are involved with their education. The attention to each child’s education and development is exceptional and the progress being witnessed is outstanding. So, to my staff, I would like to say thank you for your commitment, and to the parents, I would like to say thank you for your support.

Next week is another very busy week (just to keep us all on our toes until the end of term.)

Monday, all parents are invited to come and share the joy of your child’s education. We are opening up the classroom for “Celebration Day”. Just like last term, the event will begin at 9:30am and will conclude with a shared morning tea. I hope to see you all there!

Tuesday is the beginning of our Small Schools Athletics days. Jorja, Tahlia, Alannah and Bridget have all been nominated to attend Pinnacle State School and represent our school in the field events of High Jump, Long Jump, Shotput, Discus. We wish you the very best of luck girls!

Continued …..

Wednesday is the track events! This is when EVERYBODY comes along, runs a race, cheers on our school, participates in ball games and has a wonderful time. This is held at Mirani High oval (but let’s keep working on getting it back to our very own oval!)

Thursday is the Mackay Show Holiday. Don’t come to school kids!

And Friday, our last day of term will be a fun-filled day. Even though all assessment will be completed, it is still a regular school day and students are expected to attend.

The School Opinion Survey will be distributed in the first week of next term. As like last year, it is an online survey and each family will receive a login. There will be a computer at school for parents to utilise if required. I ask that you complete the survey as it gives a good indication of what we are doing well and where we need to improve.

And now to leave you with some food for thought…

Great things are not done by impulse, but by a series of small things brought together (Vincent Van Gough).

Yours in education

Geraldine Parkes

Attendance Rate

Our attendance rate has improved and we are currently at 94.8%.

Our target is 95% which would bring us in line with high achieving schools around the state and country.

Everyday counts.

**P & C News**

I am excited to announce the date of our inaugural Garden Party... 12th of September at 3pm. Please keep this date free and start telling your friends. Plans are already underway to make this ladies day, one to remember!

We are looking forward to commencing tennis lessons next term for those who are interested. I’m sure the students will love it and it will be great to see the facility get a facelift and it being used!

Well done to Jorja for leading our own minions and submitting an entry into the Sunrise Minions competition for the school. Good Luck!

Wishing you all a safe and happy holiday :)
