16 October

Homebaking Tuckshop

19 October

Pupil Free day

Message from the Principal

Dear Parents and Community Members,

Welcome to Term 4!

It was wonderful to see all our students bound through the school gate yesterday morning, ready to begin the term.

Term 4 always seem to fly by especially quickly, as so much is crammed into the 10 weeks. From high school and pre-prep transition days to swimming lessons and assessment, it's always a fun-filled and busy term. Remember every day counts, so please ensure your child is attending school each day and arrives promptly.

Please remember to return all permission forms even if you child is not attending the event. It must be filled out.

Please find attached a brief overview of date claimers for this term. Please place it on your fridge and add to it accordingly.

P & C News

Term 4 already! First day back and straight into playgroup! We have so many lovely mums and dads who bring their children along to play, paint and see their friends! This takes place every Tuesday from 9.30-11am. Parents of the school are more than welcome to come join the fun!!

We will advise the date of the next P&C Meeting. All Welcome!

Tenille Hildred

Next Monday we will be welcoming Mrs Heck back to North Eton, it will be lovely to have her back in our classroom once again.

PLEASE NOTE: We will be trialling parade on a **Monday afternoon at 2:15pm** this term. Beginning next week, it will be changed to the afternoon. This is so that students can participate in HPE lessons in the morning as the weather heats up in the afternoons.

I look forward to leading our school into what is shaping up to be an exciting term and watching the students succeed and achieve!

Please remember that if you have any concerns about anything within the school, come and see me directly or make an appointment for a chat.

Yours in education,

Geraldine

Stay safe from slithering snakes this summer.

They are on the move!
