Week 2 | Wednesday 20th April, 2016

Message from the Principal

Dear Parents and Community Members,

Welcome back to Term 2. With 11 weeks in this term, it’s certainly going to be filled with many learning experiences and activities.

This term in the classroom we will be focusing on spelling high frequency words correctly, knowing and using spelling rules and learning sight words.

We will be using the Spelling Mastery program to help our students gain confidence, independence and success with spelling. This program interweaves the phonemic, whole-word and morphemic approaches to learning spelling skills and is set out to make spelling logical and easier to learn. In conjunction with this program, sight words will be used as “spelling homework”. The aim of this is to ensure students are transferring their learnt words into their everyday writing. Parent helpers are requested to help staff to implement this program. If you can spare one morning a week from 8:45-9:15, please let me know!

This Friday we are having a special parade beginning at 2pm. Mr Jock McIntosh from the Marian RSL will be attendance to lead our ANZAC Ceremony at 2pm.

GRACE
For always completing set tasks with a smile.

123 Magic—Effective Classroom Discipline
This term, a new behaviour management program has been introduced. Here at North Eton, we are exceptionally lucky to have students who have excellent behaviour, however boundaries still need to be set and consequences need to be implemented when those boundaries are crossed. This program is clear and concise and the students are responding very well to it. If you would like to know more about the program, please don’t hesitate to come and see me.

Cross Country
Next Wednesday we will be holding our school cross country. It will kick off at 8:30am and all students will be expected to participate. Families are encouraged to come along and cheer on the runners.

Late Arrival / Early Departure
The days Mrs Bell is not in the office the door is looked at 8.15am. Therefore if your child is late to school, the sign in book will be located on the bench outside the office. Please always sign in as it is required for audit purposes.

Absenteeism
If you child is away from school, please ring the office number on 49 541 267 and leave a message. These messages are checked regularly throughout the day.

**Our Future...**

**What do you want to be when you grow up?**

I would be a vet because I like to rescue animals. Animals are gentle and nice.

**If you could change one thing in the world, what would it be?**

I want people to stop killing animals. I don’t want cow to be killed for jackets, carpet and woolly things. If people keep killing them they will become an endangered species.
