## Principal's foreword

### Introduction

North Eton State School has a commitment to catering to individual learning needs and ensuring that our school's vision for "*building confident, lifelong learners in a caring, family environment*" is the key message and core value underpinning all our teaching, learning and communications. Our shared vision is to enable children to reach their full potential in a variety of academic, cultural, social and extra-curricular areas, giving children every opportunity to extend their abilities.

Community plays a large part in providing support and direction for the school vision and is welcomed at all times to be a part of daily learning experiences and school management. North Eton is a wonderful school that boasts a staff who have many years of combined experience in education and who are dedicated to providing students with a caring and supportive learning environment.

Teaching and learning flourish at North Eton State School with the passionate commitment of community, friends and staff who are willing to advance children through carefully directed curriculum goals where children feel comfortable enough to take risks as learners and be proud of their learning achievements by having many opportunities to showcase their skills to the wider community and to promote the excellent outcomes achieved at this school.

At North Eton students are guided towards achieving respect for themselves and others, and are all on a continued journey together. Staff and community ensure that the school has a strong focus and vision for our children and their education to assist them with their immediate learning needs and potential futures.

The School Annual Report provides an outline of the school's continued growth and remarkable achievements for 2013 as well as identifying priorities for 2014. Our School Annual Report will be made accessible to people without the internet, with copies available from our school office and notifications of publication in the school newsletter.

## 2012 School Annual Report

### School progress towards its goals in 2013

Key priorities for 2013	Progress towards completion
Complete a planned review of reading strategies currently being utilised in classrooms at North Eton SS	<p>Whole school reading program and strategies were reviewed.</p> <p>New reading framework was created and implemented. Continuing into 2014.</p> <p>Reading resources were updated – take-home readers, guided reading resources and C2C suggested books were purchased.</p>
Create a North Eton SS 'Whole school Curriculum, Assessment and Reporting Plan'	Four year plan created. Australian Curriculum (through C2C units) and Queensland Key Learning Areas included.
Student retention	<p>Teaching Principal and students participated in a variety of learning experiences with other small schools within the Pioneer Valley.</p> <p>A Playgroup will commence Term 1 of 2014 to further develop relationships with the wider community and display the schools offerings and commitment to exceptional education within the district.</p>
Implement a School Assessment Framework and data storage process.	Teaching Principal participated in workshops with the Principal Education Officer (School Improvement) to ascertain the "best fit" for our school in regards to data storage processes. Continuing into 2014.
Creation and implementation of the North Eton Pedagogical Framework	Teaching Principal worked closely with staff, parents and the Pioneer Valley cluster to develop a Pedagogical Framework. Implementation continues into 2014.
Explicit Teaching	Staff worked with a Pedagogy Coach and the Pioneer Valley cluster to develop and implement Explicit Teaching within lessons. The refinement of the Explicit Teaching lesson sequence continues into 2014.

### Future outlook

Major priorities for 2014 are –

- Reading
- Australian Curriculum
- Student Retention
- Monitoring student achievement
- High quality teaching practices
- Attendance

## School Profile

**Coeducational or single sex:** Coeducational

**Year levels offered in 2013:** Prep Year - Year 7

**Total student enrolments for this school:**

	Total	Girls	Boys	Enrolment Continuity (Feb – Nov)
2011	12	7	5	86%
2012	5	3	2	63%
2013	9	5	4	50%

Student counts are based on the Census (August) enrolment collection.

## Characteristics of the student body:

North Eton was once the centre for sugar milling in the Pioneer Valley, now, with the closure of the mill, North Eton has become a quiet community with most people working either in Mackay or “over the hill” in the mines. Unfortunately student numbers declined significantly over the past five years due to a number of social, economic and environment reasons, however currently, enrolments are on the increase.

The majority of students at North Eton State School don't live within the immediate community and travel by car to school each day. Most of the students enrolled at the school, are from farming families within the district. Students at North Eton have the best of both worlds; they are learning and growing in a rural environment but they are not too far from any opportunity they seek.

## Average Class sizes

Long Suspensions - 6 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

## Curriculum offerings

### Our distinctive curriculum offerings

The school has a strong focus on English skills with mornings dedicated to literacy development and the middle session of the day focused on Mathematics.

Due to the small number of students, attention to each child's achievement is closely monitored with the teacher and teacher aides working closely to promote each child's development. This is reflected in their current progress in school related and systemic tasks.

Due to our cohort size we cannot report on student results, however each year we aim to improve the literacy and numeracy outcomes in the school by achieving 100% of students meeting the national minimum standards in the Year 3, 5 and 7 tests.

Students at North Eton State School participate in Small Schools' Athletics and Swimming carnivals where the school competes against like schools in the Pioneer Valley cluster.

Japanese is studied at the school during LOTE lessons. The Arts, including Music, is delivered by a visiting specialist teacher once a week.

### Extra curricula activities

Students are offered a rich variety of academic, cultural, sporting, citizenship and social skills at North Eton State School. Participation in such activities enhances student confidence, builds resilience and develops skills such as teamwork and tolerance – all vital qualities if students are to maximize life's opportunities. Due to the small cohort of students at the school, staff attempt to involve the students in as many activities with other small schools as practically possible.

Activities include:

#### ACADEMIC

- Premier's Reading Challenge participation
- Lighthouse Program – Mirani State High School
- Leadership Courses and Conferences
- Pre-Prep Program
- Whitsunday Voices

#### CULTURAL

- NAIDOC week celebrations

#### SPORTING

- Pioneer Valley Interschool Sporting Events
- Sporting trials – basketball and netball
- Swimming Lessons

#### CITIZENSHIP

- Anzac Day ceremony

## How Information and Communication Technologies are used to assist learning

At North Eton State School students use technology as an integral part of their learning in everyday situations. The computer/student ratio is high, with students being able to access a computer when they need to. Classroom computers are accessed by a server so children have access to working files at all times. There are two Electronic Whiteboards at the school which allow students to develop their knowledge around keyless technologies and promotes active pedagogy. iDevices such as iPods and iPads are also utilised within class time to develop skills in a range of Key Learning Areas.

## Social climate

From data gathered from school opinion surveys, a high number of parents reported that they were either **satisfied** or **very satisfied** with the behaviour of students and thought that their child/ren were treated fairly at North Eton State School. The same numbers of parents were **satisfied** or **very satisfied** that their child/ren were happy to go to this school and with the student discipline at the school during 2013.

Parents and staff continued to work together to enhance the learning opportunities provided at our school. The small number of children enrolled in 2013 was highlighted with the children working and playing together well. Each day they learn and achieve to the best of their ability. Our school remains a happy, safe and stimulating environment for the students.

In 2013, the school had no Disciplinary Absences. As per the school's Responsible Behaviour Plan, we acknowledge that students, staff and parents have responsibilities in regards to being part of the school community. At North Eton State School we foster a Bully Free environment. Staff use positive reinforcement to build self-esteem and assist with providing a safe learning environment in the classroom and playground.

## Parent, student and staff satisfaction with the school

100% of parents, students and staff were satisfied overall with all facets of the school. This is a continuation from 2012 data, and is a reflection of the positive and enthusiastic feel of our school and community.

DW = Data withheld to ensure confidentiality.

## Involving parents in their child's education

Parents and family members are integral stakeholders within the school community and are invited to play an active role in their child/rens education. Historically parents have high expectations on their child's learning, the school's curriculum program and the work being done at the school.

Although there were less meetings in 2013, particularly in the 1<sup>st</sup> half of the year, the members of the P&C association have continued to be very supportive of the school, staff and students.

Parents are involved in transporting and assisting with the supervision of children for various extra-curricular activities such as open days, concerts, culminating activities and classroom support. The school community is also involved in the upkeep of the school grounds and maintained it thoroughly and regularly through working bees and a mowing roster.

Parents are invited to assist with our whole school reading programme "every hour of every day" where all children receive 1:1 learning support for reading. Parents and teachers speak to each other frequently with the school's "open door policy". Formal interviews about children's progress are held at regular semester intervals. The P&C are also updated regularly about classroom plans and achievements and newsletters and updates are sent home regularly to foster a strong communication link between home and school.

## Reducing the school's environmental footprint

At North Eton State School, staff, students and the community are conscious of the environmental impact the school makes. Rain water tanks are used for drinking and general use, recycling bins are actively used in the classrrom and playgrounds, and solar panels are used to offset the power usage.

Future pactices have been identified to help supplement those practices already implemented, and thus help to further reduce North Eton State School's environmental footprint.

	Environmental footprint indicators	
	Electricity kWh	Water kL
2010-2011	0	0
2011-2012	8,275	0
2012-2013	7,123	0

The consumption data is sourced from the validated utilities expenditure return which the school submits at the end of each financial year. The data provides an indication of the consumption trend in each of the utility categories which impact on the schools environmental footprint.

\* The method for calculating attendance changed in 2013 – care should be taken when comparing data from 2013 to that of previous years.

### Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

At North Eton State School, we believe that every day counts. Our school requests that student absences (including late arrivals and early departures) must be accompanied with a note or a phone call from the parent explaining why. The school roll is marked twice a day at 8:30 a.m. and 1:30p.m. Students arriving after this time are marked as late. North Eton State School has a recording process whereby absentee codes are kept to record late arrivals, illnesses, and other planned and unplanned absences.

## Performance of our students

Parents are contacted when a student is absent from school for more than two days with unexplained absences.

Long term absences are followed through with letters and personal, direct communications by the principal.

### National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9.

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, and 7 are available via the My School website at <http://www.myschool.edu.au/>.

Data has been withheld for 2013 due to the small number of students. There were no Year 3 students enrolled in the school in 2013.

Collectively for the period 2011 to 2013, year 5 and year 7 student results have been inconsistent. Students in year 5 and year 7 have been at or above the national minimum standards across the majority of strands, however the national mean is above our school mean at least 50% of the time.

To access our NAPLAN results, click on the *My School* link above. You will then be taken to the *My School* website with the following 'Find a school' text box.

If you are unable to access the internet, please contact the school for a paper copy of our school's NAPLAN results.

## Achievement – Closing the Gap

The 'Closing the Gap Education Strategy' is the department's overarching strategy for the education of Aboriginal and Torres Strait Islander students in state schools. The strategy sets three state-wide targets for Queensland state schools – halve the gap in Year 3 reading, writing and numeracy by 2012; close the gap in student attendance by 2013; and close the gap in Year 12 retention by 2013.

Over the past five years, North Eton State School has had no Indigenous students in Year 3. Therefore, comments cannot be made on NAPLAN performance. In addition, due to the small number of Indigenous students across the school, comments regarding student attendance cannot be made. However, Indigenous perspectives are taught in all year levels and across all learning areas.
